ADMINISTRATION

Administration

Congratulations and best wishes to you, the graduating class of 1964.

In the Spring of your years, goals, ideals, and purpose seem hazy. We sincerely hope when you find a brighter picture, you can look back to this place and point with pride, convinced this Spring had been fruitful. It had helped to bring forth the blossoms of our aims in life. It is our dedicated task that this shall continue and improve.

Many have walked these halls--Where they have walked after this place was of their choice. Think well before you depart--and thank God you have that choice.

Donald H. Miller,
Superintendent

With my heartiest congratulations to the seniors of 1964 goes the sincere wish that each one will strive to contribute something to our society. What better contributions could be made than to continue to develop one's ability and use those abilities in the service of mankind.

EVALUATION

This past season may not have been a successful season as far as record (3-5-1), but the record is not all the coaches work for. This football team got along and had more fun than most of the other teams this school has had.

The team had many individual stand-outs on offense as well as defense. Offensively - Ken Barger was our leading ground gainer with 425 yardage in 102 carries, for an average of 3.9 yards per carry. Walter Schwartz was second with 276 yards in 29 carries for a 9.5 yards per carry. Defensively - Jerry Berton led in tackles with 109 for an average of 12 tackles a game. Second was Dale Rauch with 75 tackles. Third was Jon Richey with 65 tackles. We congratulate these boys for their fine performances this past season.

"EVALUATION"

Our Introduction Into AA

As the basketball season approached I was very expectant of another great year for Springfield Local in the Class A finals at Columbus. Due to the boy count exceeding the limit of 180 we had to prepare for the Class AA competition. This confronted us with a great challenge and I feel the boys accepted this challenge readily.

We started this year with only one returning starter in Ron Sonedecker and felt that he would have to carry the majority of our burden, which he did, and well. But with the support Ron received from Denny and Bob in scoring and rebounding, we were able to turn this season into what I feel was better than the previous year. Our team was rounded out by such workers as Jerry, Walt, Gary, Dale, Butch, and a promising group of sophomores which, if they devote themselves, could become one of the better teams of the school.

All things considered this was another great basketball year at S. L. H. S.

Springfield Local's baseballers, confronted with the task of playing in the class "AA" ranks, managed to finish with an even 500 record.

Out of the 15 ball players, 5 will not be around to help the team next season. Senior squad members who will be sorely missed are: Denny Bloomingdale, Ken Barger, Talcott Kauffman, Joe Crawford, and Tom Brady. The remaining squad members wish these five the best of luck in the future.

The highlight of the 1964 season was Kenny Barger's no-hit contest against West Branch. Kenny also had four hits that day, including a home run.

With 10 returning lettermen and a group of five, young ball players coming up, we can expect great things from baseball 1965.

Future Nurses

The Future Nurses Club of Springfield Local High School, was organized this year. It seeks to enable its members to study the qualities, traits, and aptitudes which are basic to the success of the nursing profession, and to acquire an understanding of its history and development.

Since nursing is a professional service, we try to do one service project a year which will enable us to better understand the meaning of the nursing profession.
